

2024 Berlin Community Garden Application and Donation Form

Community support of the garden is always appreciated! Please consider making a monetary donation towards the ongoing improvements at the garden. Checks can be mailed to the garden manager as detailed below.

Are you handy? We need people who can do work such as tool repair, shed maintenance, lighting installation, etc. You don't have to have a plot in the garden to be a part of our garden community. Contact the manager if interested.
